# DASHBOARD

For example, if you search for **20100**, you can select the API 20E product and **display its associated documents**

The screenshot shows a search results page for the term "20100". The page title is "20100 — API 20 E". Below the title are tabs for "QC CERTIFICATE", "PACKAGE INSERT", "SUPPLEMENTARY INSERTS", and "ADAPTATIONS". A button "Show all documents in all available languages" is visible. The main content is a grid of 24 document cards, each representing a QC Certificate for API 20 E. Each card includes a reference number (REF), a lot number (LOT), and a date. A "MULTI" button is present on each card. At the bottom, there is a "DOWNLOAD CART : 0 FILE(S)" indicator and a "Download all" button.

You can search for more than one lot in a single search  
Just leave a **single space** between the numbers

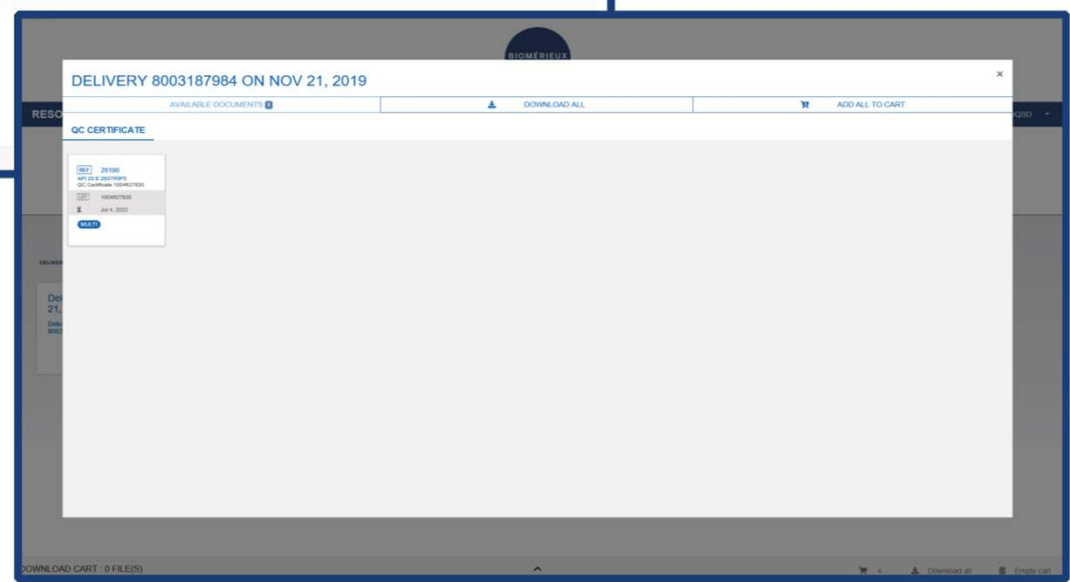

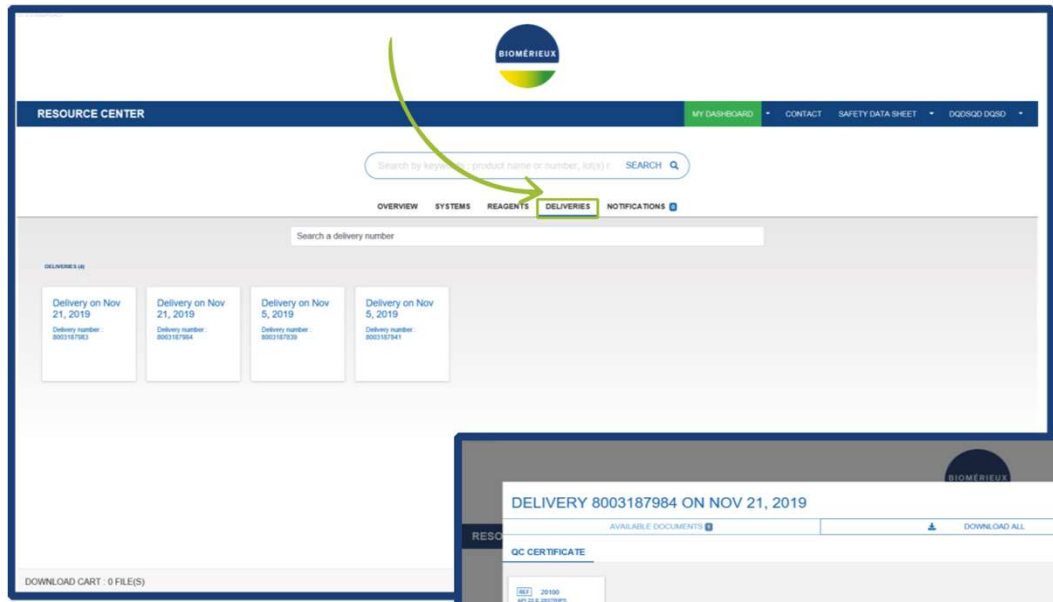

The screenshot shows a search results page for the term "1004627830 1004592040". A green arrow points to the search input field. The page title is "RESOURCE CENTER". Below the title are tabs for "MY DASHBOARD", "CONTACT", "SAFETY DATA SHEET", and "BENSALEM NARIMANE". The search bar contains the text "1004627830 1004592040" and a "SEARCH" button. The main content is a list of results under the heading "Systems and Reagents (1)". Under "SYSTEMS (0)", there are no results. Under "REAGENTS (1)", there is one result: "API 20 E 25STRIPS" with a reference number "REF 20100". Below this, there is a section for "Documents (2)" showing two document cards, each representing a QC Certificate for API 20 E 25STRIPS. At the bottom, there is a "DOWNLOAD CART : 0 FILE(S)" indicator and a "Download all" button.

# DASHBOARD

If you have used an invoice to connect to your account, you will be able to see a **deliveries** section

When you **select the tab** you will be able to **see your deliveries**

This allows you to click on a specific delivery, select it and then **download all associated QC certificates**

# HOW TO RETRIVE AN eIFU
